Centre gives

36-hour online giving event
May 6th at 12 a.m. – May 7th at 12 p.m.

THREE REASONS to give to VOICES of CENTRAL PENNSYLVANIA!

1. VOICES publishes for you; it's the only truly independent local news.
2. VOICES helps your cause; your mission benefits from indepth articles.
3. VOICES makes you stronger; the whole community is better informed.

Would your cause be weakened if all local news was controlled by out-of-town corporations and profits?

VOICES is a 501(c)(3) public charity with largely volunteer staff. Simply by existing, we increase local public involvement. If we do not exist, local news inevitably moves towards the lowest common denominator, those who buy advertising.

VOICES of CENTRAL PENNSYLVANIA needs your donations to continue to exist.

On May 6, when you go to <http://centregives.org> to support your cause, please include a gift for VOICES. Because VOICES is a community asset we all need.

VOICES OF CENTRAL PENNSYLVANIA

"Publicity, publicity, publicity is the greatest moral factor and force in our public life"

Joseph Pulitzer

"An able, disinterested, public-spirited press, with trained intelligence to know the right and courage to do it, can preserve that public virtue without which popular government is a sham."

Joseph Pulitzer
